LOCATION

Currently, our servers are housed in the leased data center at PlusServer GmbH. PlusServer GmbH is a market leader in the DACH-region. The hosting is administered from Switzerland.

CERTIFICATION

With its ISO 27001 and PCI-DSS certifications, the data center stands for leading data security, availability, trustworthiness and integrity of its data and systems. Additionally, it boasts a 5 out of 5 star rating from the eco data center star audit, the security and quality certificate for internet data centers.

AVAILABILITY

PlusServer GmbH offers a SLA of 99.95% hardware and network availability, which is compliant with the PlusServer Service-Level-Agreements.

DEVELOPMENT LOCATION

AppTec exclusively develops its solutions in Switzerland.
